

LIMITED WARRANTY AGREEMENT

100% SATISFACTION OR WE WILL REPLACE OR REPAIR PART, OR

Buyer is aware that the part purchased is a used part, and is free of defects exclusive of normal wear and tear, and is warranted for a period of **180** days (Extended Warranty available at extra cost) from date of purchase. Parkway Enterprises, Inc., DBA Caveman, Action, and Roseburg Auto Parts and Recyclers will warranty engine and transmission internal parts, including: pistons, rings, pins, push rods, rocker arms, lifters, rocker shafts, crankshafts, bearings, rods, camshafts, timing chains, timing gears, valves, guides, oil pumps, engine blocks and cylinder heads. Excluded from this warranty are mounts, fuel injection components, electrical components, water pumps, flexplates, flywheels, pulleys, manifolds, oil pans, gaskets and seals, unless otherwise noted on your invoice. If you are in the opinion that any of the parts covered by this warranty have failed or are about to fail within the warranty period, contact our warranty manager for a failure evaluation. If a failure of a warranted part is determined at that time, repair, replacement, or refund of the purchase price will be made at our option. This warranty covers parts only as set forth in this agreement. Parkway Enterprises Inc. marks all parts sold with a unique identifier. No parts will be accepted for warranty consideration without our identifying mark. This warranty shall be deemed "Void" if part failure is due to improper installation, modification, neglect, misuse, or abuse.

EXTENDED WARRANTIES

Extended Warranties are available at time of purchase for additional cost. If you purchased an extended warranty, in addition to all privileges and limitations listed above, your part is warranted for the period listed below. If the part is unsatisfactory, we will at our discretion repair, replace, or refund the purchase price of the part. If we opt for repair, we will reimburse labor cost at **\$45.00 per hour, according to Motor Manual time for the operation**. All repairs must be authorized by our staff before any repair or teardown is performed. Please see the Extended Warranty checklist for complete details. At no time will the warranty payout exceed the original purchase price of the part. Extended Warranty is limited to one replacement or repair in the allotted time period. Extended Warranties are non-transferable, and must be purchased at time of sale. We reserve the right to modify this warranty policy at any time without notice. Warranty is also limited to repair or replacement of part; no incidental or consequential expenses or damages are covered. **At no time will the warranty reimbursement exceed the original purchase price of the part.**
